RECESS

SPEAKER NICHOL PRESIDING

SPEAKER NICHOL: While we are waiting for a quorum, and we are almost there, I would like to announce that Senator Marsh has some guests in the north balcony. They are 58 Fourth Grade students from the May Morley School in Lincoln. Mrs. Tuning and Mrs. Dietrich are their teachers. Would you please stand and be recognized by your Legislature. Thank you. You will be observing what we call Final Reading today, and you will notice that the Clerk reads the bills very fast and you will not be able to understand what he is saying. But, hopefully, most of the members of the Legislature will know what he is talking about, and we will be voting as soon as he gets through with each of the bills as he reads them. During Final Reading, of course, all the members of the Legislature must be in their seats which they aren't at the moment but they will be shortly. So you have picked a day that is not all that interesting to observe. Record, Mr. Clerk.

CLERK: There is a quorum present, Mr. President.
